**RE: COVID-19**

Dear friends,

In regard to the global crisis with the COVID-19 Corona Virus, Doxa Deo has committed itself to fully comply with the goal of the particular Governments in each country we are represented as well as the World Health Organization to limit the spread of the virus.

Let us consider this scripture to guide us in this time:

*Acts 2:42 They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. 43 Everyone was filled with awe at the many wonders and signs performed by the apostles. 44 All the believers were together and had everything in common. 45 They sold property and possessions to give to anyone who had need. 46 Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, 47 praising God and enjoying the favour of all the people. And the Lord added to their number daily those who were being saved.*

1. Let us devote ourselves to the Word of God, to fellowship and to prayer.  
(Every campus will provide online options for this in order to meet online on Sundays and also in groups via online platforms like 'Zoom' or Church Online. Find a list of our Online Services at <https://www.doxadeo.tv> ).
2. Let us pray for miracles for those who are sick, who have emotional challenges and who have financial challenges.
3. Let us reach out to those struggling and take care of the vulnerable.
  - a. Let us reach out to neighbours and friends who do not know Jesus. (May the Lord add daily to the church those who are being saved!)

As Christ followers, our faith response, with wisdom, would be the following:

**Crisis measures**

Every nation's government has its own regulations and we will fully conform to them. We encourage all of our people to connect with a Doxa Deo ministry and to stay connected to the body in these times of isolation via online platforms available on our websites.

**Hygiene**

We fully support the recommendations given by the World Health Organization in terms of how we greet, sanitize and follow the relevant procedures in order to limit the spread of the virus. While we all should be wise in protecting ourselves against this outbreak, we trust in our God as we know that our future is safely in God's hands. Our God is bigger than COVID-19 and He is at work in the midst of this crisis, and we will continue to speak life as we bring care, hope and peace to all our people.

### **Caring**

This crisis provides an incredible opportunity to care for the people of our City and demonstrate the love of Christ to those with health and emotional and financial distress. For those who are vulnerable to the disease, please contact us to let us know how we can be a support to you if you do not have someone to support you at this time.

Please stay rooted in Community with the many technological options available and contact your closest Doxa Deo location for information (<http://www.doxadeo.org>). Let us keep praying over our Cities, our Nations and our Governments.

Live Blessed,  
**The Doxa Deo Global Leadership Team**
