

The CITY CHANGERS EQUIPPING PROGRAM
CCEP - A Summary

Doxa Deo is passionate about changing cities to a place where God reigns. Raising City Changers is core to this mandate.

The CITY CHANGERS EQUIPPING PROGRAM is a 2-year season of accelerated personal growth. CCEP empowers City Changers to discover and implement the outcomes of Doxa Deo's Discipleship processes. Through CCEP, City Changers will be equipped to engage effectively with the various *ministry processes* and *leadership structures* in their Doxa Deo Campus (or local church). Those who engage in this process will spend time with leaders from across the Doxa Deo Family who will share their insights and experiences, facilitating discussions on the core elements of Doxa Deo's vision, mission, message and calling.

The first stage is based on the transformation of the individual into a City Changer. This transformation is based on the four concepts of:

- **Christ's Invitation** – It begins with creating environments and moments where people can become **aware** of their inclusion in the Beloved. **Belief** then issues from this awareness as a proper response which leads to **confession** and **commitment** to Christ and the new life made available to man.
- **Knowing God (KG)**– From there, the journey continues. The believer's **identity** in Christ is established, **intimacy** with God is demonstrated, and a lifestyle of **integrity** is possible through the Holy Spirit.
- **Loving People (LP)** – A critical outflow of this new identity is expressed through uncompromisable **compassion**, discovering one's **calling** to minister to others and passionately making a **contribution**.

- **Impacting my World (IMW)** – Finally, making an impact is expressed through an understanding of **worldview**, beliefs, and philosophies, impacting my **workplace** and taking a stand for the completed work and victory of Christ by making a stand for **wholeness**.

The following information is provided as a brief layout of the primary focus of each module or session over the next 2 years. For a more descriptive explanation of each module please download the comprehensive prospectus on CCEP.

WK	Module	Title (1st Year)	WK	Module	Title (2nd Year)
